Welcome to Bathurst Golf Club

Bathurst Golf Club is the third-oldest club in New South Wales, with a rich history dating back to 1894.

Surrounded by an oasis of green and enjoying views to the Blue Mountains, ours is a delightful location in which to enjoy a round of golf. Come and see why the club was named Country Club of the Year at the inaugural NSW Golf Industry Awards in 2018.

Our 18-hole championship course has played host to the New South Wales Open and is regarded as one of inland NSW's finest courses. The picturesque, tree-lined layout offers an invigorating test to players of all abilities, thrilling lifelong members and first-time visitors in equal measure.

Our well-stocked Pro Shop can take care of all your golfing needs. Dedicated PGA-qualified Golf Professionals providing coaching and accompanying practice facilities on site enable the aspiring golfer to become as good a player as their talent, determination and time permits.

Juniors are positively encouraged and can dream of following in the footsteps of Bathurst legends Peter O'Malley and Gavin Coles.

The club boasts a full calendar of events for members and stages several prestigious annual open competitions such as the Bathurst Open Vardon event for men, which is also a NSW Open qualifier.

Fine food, great service and good company can be enjoyed in the clubhouse, offering the comforts of home and a great place to catch up with friends and enjoy a drink or a delicious value meal in the Birdie and Eagle Bistro.

Bathurst Golf Club caters for functions of all kinds, from birthday celebrations and weddings to meetings and conferences.

There are many reasons you should come and see us, but right at the top is the promise of the warmest of welcomes.

We look forward to seeing you soon.

A Brief History

Bathurst Golf Club is the third oldest golf club in New South Wales. The club was formed in 1894, following The Australian Golf Club founded in 1882 and Royal Sydney in 1893.

The present Bathurst Golf Club course was developed in 1934 and cut out of native bushland on the western outskirts of the Bathurst township. While Bathurst may be located well inland from Australia's largest city of Sydney, its fame has managed to attract major golf championships and also visiting Major champions.

Bathurst Golf Club has produced its own champions, too, and has a proud history in nurturing local talent, with Peter O'Malley and Gavin Coles progressing from club juniors to perform superbly on the world golfing stage.

In 1941, Bathurst held its first Professional Open event with a purse of £26/10/-, with Eric Cremin, already a double Australian PGA champion, winning the event. Bathurst staged the 1950 New South Wales Close Championship, won again by Cremin, with 1934 Australian Open winner Billy Bolger finishing runner-up.

In 1951 the club accepted an offer from Australia's first-ever Major Champion Jim Ferrier (1947 US PGA Championship) to play an exhibition match. Later that year Ferrier returned, this time accompanied by then Open Champion Max Faulkner and Dai Rees, who would finish runner-up in four Open Championships and go on to captain five Great Britain and Ireland Ryder Cup sides.

The appearance of so many of the then-leading players in the world resulted in a visit in 1953 by Argentinean great Roberto de Vincenzo who would capture the 1967 Open Championship, but also lose the 1968 Masters in bizarre circumstances. De Vincenzo blazed around Bathurst in just 63 strokes.

In turn, the interest De Vincenzo's visit generated resulted in the club hosting champion South African Bobby Locke and legendary Australian Norman von Nida in 1955, when they played an exhibition match in the company of local champions Don Payne and New South Wales Country champion, Stuart Robinson.

At the time Locke was one of the greats of the game, having captured the 1949, 1950 and 1952 Open Championships, and coming runner-up to Peter Thomson in the 1954 Open Championship. Locke would secure a fourth Open with his three-shot win over Thomson in 1957 at St. Andrews.

The 1960 Centenary Open Champion Kel Nagle played the Bathurst course frequently in the sixties and seventies as an honorary member, visiting Bathurst because of his interest in the trotting industry which has a strong presence in the district.

In 1990 Bathurst hosted the Australasian Tour's New South Wales Open Championship, won by Ken Trimble, also a former European Tour player. Bathurst's own Peter O'Malley was a proud runner-up. Remarkably Kel Nagle, aged 70 at the time, made the cut in this tournament, but understandably faded in the latter rounds.

Bathurst also has hosted a number of New South Wales Country Championships, the most recent in 2019-21 in association with Golf NSW, and the Men's and Women's Golf NSW Mid-Amateur Championship in 2018.

The club proudly boasts two members who have gone on to make their mark on the international golf scene. Three-times club champion Peter O'Malley, the son of 12-times club champion Don O'Malley, enjoyed a very distinguished career on the European Tour. He won three events including the 1992 Bell's Scottish Open where he played the final five holes of the Kings Course at Gleneagles in seven-under-par for a 62 to deny home favourite Colin Montgomerie.

Gavin Coles, also three-times Bathurst club champion, boasts five career wins on the Web.com Tour (formerly the Nationwide Tour) in the USA. He has also enjoyed some success closer to home. Playing in the Sunday Competition in December 2012 Gavin shot an astounding 11-under-par 60, which included a bogey on the last hole!

It is interesting to note that both O'Malley and Coles regularly ranked at or near the top of their respective tours in driving accuracy, possibly a result of their formative years on the Bathurst course where driving accuracy is paramount.

With thanks to John Payne, who sourced much of the information about the club's history from Frank Farrugia's "History of the Bathurst Golf Club: Our First 100 Years", and Bernie McGuire.

The Course

Bathurst Golf Club is home to a magnificent 18-golf course that has hosted numerous championships including the 1990 New South Wales Open, 2017 Golf NSW Seniors and 2018 Men's and Women's NSW Mid-Amateur Championship. Most recently it has been the home of the NSW Country Championships from 2019-21.

Off the blue men's tees the course measures 6,065 metres and plays to a par 71, with two par-5s and two par-3s on the outward nine and one par-5 and two par-3s coming home. Ladies enjoy an equally enjoyable par 72 5,239-metre layout from the red tees, benefitting from an extra stroke on the 10th, one of the tougher par-4s on the course for the men.

Slope ratings of 128 (blue tees) and 126 (white tees) will ensure a true test of golf.

Gum trees line most of the fairways, meaning that Bathurst rewards the golfer who can find the short grass. If you want to shoot a good score, choose a club from the tee that you can consistently hit straight. The layout rewards those with skill and imagination and calls on the golfer to use their full repertoire of shots.

The course has always been highly regarded and it invariably looks a picture, the immaculate presentation a tribute to the painstaking work of our Course Superintendent and his dedicated team of greenkeeping staff.

In response to the drought and the increasing cost of water from Bathurst Regional Council, from 2018 the club has undertaken an ongoing program of water saving and water security measures. This included the drilling of two bores to lessen total dependence on Council water, and a program of gradually replacing the water-hungry South African couch fairways with the much less thirsty Santa Ana couch.

We are immensely proud of our course, and we are not alone. First-time visitors often remark about the lush fairways and evenly-paced and true-rolling nature of the fast bent grass greens, which are a delight to putt on.

The course was a favourite of Australian golfing legend Kel Nagle, 1960 Open Champion and an inductee into the World Golf Hall of Fame. Kel was asked to write a tribute for the club's 1994 Centenary Book and said: "I consider the Bathurst Golf Course one of the best country courses you could wish to play on. It is undulating and presents a nice challenge to all golfers of every grade, while the view from the 15th tee and the green is a delight."

Course Tour

We hope you enjoy your time with us at Bathurst Golf Club. Here are a few useful tips and course notes which should help you make the most of your round if you have never visited us before. The Course Tour notes were written by freelance golf writer Bernie McGuire, a member of the Australian Golf Media Association, and Secretary of the European Association of Golf Writers.

Distances shown are from the men's blue tees.

HOLE 1, 368 METRES, PAR 4

A very good starting hole, slightly uphill with a wide driving area, middle iron second shot, the only hole with no bunkers around the green. A plateau before the green makes it a deceptive opening hole.

HOLE 2, 463 METRES, PAR 5

Uphill all the way, a dogleg at 260m to the right, out of bounds all the way on the right. Two woods and a pitch make it a birdie hole, and long hitters will be putting for eagles. Two tiers through the green and a large bunker left toughen up the green.

HOLE 3, 392 METRES, PAR 4

Downhill and plays shorter than the distance suggests. Well protected fairway with trees on both sides. A middle iron second shot to a green which slopes away from the player. A deep greenside bunker protects the left side of the green.

HOLE 4, 298 METRES, PAR 4

A narrow driving hole, crossing a creek, this. Big trees line both sides of this fairway. A short second shot to this well-bunkered, undulating green will set up a good birdie opportunity.

HOLE 5, 190 METRES, PAR 3

A good par 3 with a creek in front, an uphill sloping green and bunkers on the left and right. A long iron or fairway wood is required if the wind is against players. Par is always a good score here.

HOLE 6, 390 METRES, PAR 4

A tough par 4 with the drive landing into a hill. A blind second shot with a 5-7 iron makes it difficult. A well-bunkered green sloping away from the player makes it hard to stop the ball downwind.

HOLE 7, 387 METRES, PAR 4

A blind driving hole down a very narrow chute. A middle to short iron second shot to a sloping green with a creek at the back. Not an easy hole.

HOLE 8, 123 METRES, PAR 3

A short iron over the creek to a relatively large green with five bunkers. This hole holds no trouble for good golfers.

HOLE 9, 505 METRES, PAR 5

The drive placed on the left side of the fairway rolls to the centre. A semi-blind second shot downhill for the last 180 metres will give the good player a short pitch or putt for birdie or eagle.

HOLE 10, 408 METRES, PAR 4

Slight dogleg left, with a lake on the left between 200 and 230 metres, rated No.1 for difficulty. A long to middle iron is required to a flat green with deep bunkers and out of bounds 10 metres to the left of the green.

HOLE 11, 305 METRES, PAR 4

Another short par 4 with a sharp dogleg left and a creek stopping players driving around the corner. A long iron and wedge will set up birdie chances.

HOLE 12, 311 METRES, PAR 4

Right-hand dogleg uphill to a large green. A creek on the right stops players being too adventurous. Another good chance for birdie.

HOLE 13, 158 METRES, PAR 3

A great hole with a lake and three bunkers, a large green with some awkward pin positions. This hole is one of the best.

HOLE 14, 333 METRES, PAR 4

Straight uphill, a very narrow drive and a short iron. Masses of trees on both sides. A long iron from the tee is a sensible approach to this hole. The green is well bunkered and slopes severely from back to front.

HOLE 15, 514 METRES, PAR 5

The best par 5 on the course. A downhill drive with out of bounds on the right and a lake on the left make it a formidable driving hole. An uphill second shot with a fairway bunker on the right and plenty of trees make this a challenging hole indeed.

HOLE 16, 193 METRES, PAR 3

A downhill par 3 with a large green and a lake to the left. A severe putting test with an undulating green that is difficult to read. A deep bunker on the left makes it hard to par if the tee shot is wayward.

HOLE 17, 344 METRES, PAR 4

Tee off-set to the right of fairway with two fairway bunkers on the left at the 230 metre landing area, and four bunkers – two left and two right – protecting the green. A long iron and 9 iron will be a popular way to play this hole.

HOLE 18, 391 METRES, PAR 4

A drive over a hill to a fairway with a dogleg left. A strand of pine trees on the left blocks the drive if pulled and large trees trap the drive on the right. A 6-7 iron second shot to a green sloping from the back and with two deep bunkers makes it a great finishing hole.

Member Golf

Our members can enjoy a calendar packed with competitions throughout the year, ranging from serious and prestigious events each carrying their own piece of silverware – such as the Club Championships – right through to much more relaxed offerings where the overriding aim is simply enjoying golf in good company.

The traditional Honour Board events feature on the club's annual golfing calendar, allowing players of all abilities to shine and have their name written into club history. There is also the chance to represent the club against our neighbours in team pennant competition.

Several club competitions act as local qualifiers with the winner going on to represent Bathurst in a regional event against other clubs. One of the most notable of these is the Scramble, a hugely popular Pro-Amateur team event run by the PGA of Australia.

In a typical week at Bathurst, men and women both enjoy golf competitions on Saturday. The Ladies also play competitively on Tuesday and Thursday and the men on Thursday and on Monday there is a very keen group of veteran golfers who play most weeks. Sundays sees mixed or medley competitions.

Some trophies are won on the day while others such as the men's Scobie Cup rewards the golfer who performs well throughout the season. One of the club events to grow in popularity in recent times is Top Gun, which keeps interest keen throughout the winter season. With an individual's best four scores to count, it rewards not only the good golfer, but also the keen and consistent one, with players eager to make it through to the Sunday Grand Final.

Bathurst is proud to be a traditional club with a modern outlook and we are always open to trying new ideas that will introduce new members to the game and make the sport even more enjoyable to existing players. One such example is our introduction of new tees, featuring a revised, shorter course, with play from the Orange tees – perfect for the novice golfer/newcomer or the person who no longer hits it as long as they used to.

A number of social events are held throughout the year providing a great opportunity to meet other members and make new friends. Again, their varied nature means that there should be something to appeal to all tastes. Friday in particular is a popular club night, with great food available at the Birdie and Eagle Bistro, raffles featuring prizes such as generous meat trays, vouchers and a members' draw with a substantial cash prize.

Juniors

Bathurst is a family club and an important part of the focus on everything we do here is fostering an all-inclusive environment which is welcoming to everyone. Juniors are positively encouraged and we are proud to play a part in developing the next generation of golfers.

The club has a long history of producing talented junior players, some of whom have gone on to play the game professionally. Aussie golfing legend Peter O'Malley honed his skills on the fairways of Bathurst and puts his name to the annual Junior Masters tournament the club hosts for boys and girls.

Gavin Coles is another Bathurst junior graduate to have enjoyed a very successful career as a Tour Pro.

Youngsters wishing to take up the game start off by learning the swing basics in clinics held at the driving range on Saturday morning and Tuesday afternoon. As their skills improve, players are invited to play on the course on a Sunday morning or Friday afternoon.

Golf teaches social skills, life skills and motor skills as well as mental arithmetic, and is a healthy outdoor pursuit that promotes fitness. The earlier you learn the game, the simpler it is and the more good golfing years you have ahead of you!

Best of all, membership rates for the under-18s equates to less than a dollar a week. It really is a wonderful opportunity not to be missed.

Visitors and Social Golf

Bathurst has a wonderful course. Not too easy, not too tough, but the perfect challenge for any player no matter what their level of expertise. We have clubs for hire and electric carts and trolleys available to hire for those wishing to save their energy to play their best golf.

It is always advisable to phone ahead to book a tee-time or to check with the club our competition schedule for the day.

Enjoy the golf and stay for a bite to eat and a drink in the clubhouse, where you will find the welcome just as warm as the one you're received in the Pro Shop or out on the course.

Situated in the Central Tablelands region of New South Wales, Bathurst is a great place to enjoy a short break. We are five minutes' drive from the world-famous Mount Panorama Motor Racing Circuit and the National Motor Racing Museum. Bathurst has a craft beer brewery, wineries and distilleries for you to explore.

There are art galleries, museums and walking trails, plenty of historical attractions and, of course, there's a pretty special golf course to enjoy too! Visit tinyurl.com/bathurst-attractions to find out more.

To avoid disappointment, it is advisable to make a booking with the Pro Shop prior to your visit by calling (02) 6331 1379.

The Bathurst Golf League

During daylight savings, Bathurst Golf Club runs the hugely popular Bathurst Golf League, a fun nine-hole competition open to players of all abilities.

You don't even need to be a member of the club, although members benefit from special rates.

Form a team of 4 to 6 players from your family, mates or work buddies. Come along each week and play just nine holes. The competition runs for 8 weeks and we will help you get a handicap based on your level and help you score. If you haven't got a team we can help you join another.

There is no set day or time, just play one game a week when it suits you. The best three scores from your team will be counted and you get an extra point just for playing.

There is an individual competition so you can win weekly prizes, with the major event being the overall team standings after eight weeks. The top 10 teams at the end of the challenge win fantastic prizes which they collect at a presentation party for all golfers and their invited guests.

The presentation party is free to attend and on the night we have a great local band, a two-course meal and free drinks. All you need to do is register or join a team, turn up and have fun!
